I had the fortune of ordering hundreds of meals from Bob's East Side Deli as a primary responsibility while working at the CityCenter Executive Offices. It is such a refreshing establishment for catering, excellent, quality meals in a timely manner to any destination. Communicating with Bob and his staff is such a pleasant experience free of complication and error. Oh, and did I mention how tasty and scrumptious their menu is? You will not be disappointed inviting Bob's East Side Deli into your Office for a meal. You will call them back over and over and over!
